Massachusetts Bay District

of Unitarian Universalist Congregations
invites you to become
a Chalice Lighter

What is the Chalice Lighter Program?

The Chalice Lighter Program is an opportunity for individual Unitarian Universalists to provide financial support for high-impact projects in congregations throughout our district, including projects that:

- nurture multigenerational connections
- enhance congregational growth programs
- strengthen professional staff
- build connections among UU congregations
- equip people to become transformational leaders in their congregations and the world

Who is a Chalice Lighter?

Chalice Lighters are UUs who

- believe in the power of Unitarian Universalism to change lives and create community
- believe that congregational growth will amplify our faith's impact in the world
- are willing to share their financial resources to support Unitarian Universalism in our region

Consider becoming a Chalice Lighter!

Your \$30 gift twice a year will bring you the satisfaction of watching your

contribution multiply to make tens of thousands of dollars available every year to UU congregations in the Mass Bay District (including yours!). In return, we'll send you a pin you can wear to identify yourself as a Mass Bay District Chalice Lighter.

The Chalice Lighter Grants Panel, which is made up of UUs from congregations throughout our region, will receive applications and make grant awards twice a year. We will send a twice-yearly announcement to all Chalice Lighters sharing the good news about how your donation is being used to grow Unitarian Universalism in our region.
